“ To Sharon. My father's wife when he died. Why were you so cruel to us kids and his grandchildren after he passed away? I can forgive you but I will never forget. You took his ashes and mixed them into his headstone and took him to Richmond Indiana. A town he never lived in nor would he want his marker (head stone) in a strange town he's never lived in when his Father who I'm named after, Marvin Wayne Hunt, his Mother, Myrtle Bailey, his grandparents Jeff Philbeck and Grandmother

I didn't get to finish my post so here is the rest of it. His grandmother, Luanie (Hale) Philbeck and other family are all buried at Oak Hill Cemetery. You did this out of spite and put his ashes inside of his headstone to try to make it harder for us to have him moved where he belongs. A proper burial with his immediate blood family right here in Lebanon. Just how could you do this? When he was a live you wouldn't have dared treat us, his kids and grandchildren they way you have since his death and still doing it now. How do you even sleep at night? I'm sorry Meyers Mortuary but I think I have a right to post my opinion which I know I'm right about. If me and my family can do something about this through law , my father is coming back home where he belongs by his family. Not in a strange town he has never lived in. I know he wanted his ashes spread over a golf course and you didn't even honor his final wishes but put those ashes in his headstone. You are the poster child for a malicious human being. I pray for you. I'm checking with an attorney and if me and my family have anything we can do he is coming home. Also you put in his obituary that Carson is deceased. Why would you do that? There is something wrong with you. That was very malicious because Carson is only in his twenties and alive and well, living in Los Angeles, California and I shouldn't be telling you that. But I want others to know what you did and what kind of hate you have inside you for my father's blood family. Shame on you.

“Dad I miss you so much. You taught me sports and was my coach. I learned a lot from you. You also taught me how to do drywall. You made me such a good catcher that I made the little league world series for Boone County. I know you were proud of that because you were one heck of a coach. 2 championships in a town for E and W Star Pharmacy which Ron Ebert owned and sorted those huge trophies in his pharmacy. I will always have respect for the Ebert family. They are good people and they were so good to us. I just tried posting a similar post in here but I think I messed it up and may not have went through. To my hero, my father's, my coach and teacher of many things I'll never forget. RIP dad. I love you.

Dad I miss you every day. Not one day goes buy that I do not think about you. You are my hero. You taught me how to play baseball, basketball even though I wasn't that good at basketball but you made me shine at baseball. I'll never forget how well you coached me. You made me one great catcher when I was a kid. We won 2 championships 2 years straight for E and W Star Pharmacy which Ron Ebert owned and he was so proud of us and those big Championship trophies he had in his pharmacy. He was very good to us. I have no clue if he is still with us today. Hope so. I have a lot of respect for the Ebert family.
