“ *David came to many of our families gatherings and can't remember every not see him at our Thanksgiving dinner which sometimes included 60 to 70 people.
David would always bring his famous mustard cheeseball that was so good it didn't last long. Everybody loved it.
He'd always have a smile on his face and was always so kind to everyone he spoke to.
We're going to miss that cheeseball and that smile my friend.
REST IN PEACE*

RIP my friend. I was shocked and saddened to learn that David has passed away. When you are friends with someone for 50 years, you have many memories - all special. David was so much a good friend. I hope that those who knew him will remember the goodness that David had in his heart. Thank you, David for those 50 years of memories. There will never be another David. God bless you and we'll see each other again. Barb Shumate Hendry
