“ *Some of my earliest memories are of my fun loving cousin Debbie. She loved all of us with a great passion. She is missed, but is now home. We love you Debbie.*

“ *Debbie was my cousin and while I know those that love her will miss her, I am so happy for her! Debbie was never fully whole in this earth, but in heaven she was made whole for the first time! She was met by my Granny and her Mom and Dad and Nanny! I can almost hear the laughter coming from heaven at her home coming!!! Life had been unkind to her for a long time, so I choose not to grieve for the loss but to rejoice that she is flying high with the rest of our Angels in heaven. I love you Aunt Deb. Butterfly kisses!!!
