“ *I am so sorry to hear about Debbie's passing. I was a classmate and really liked her. We had a class reunion a couple of years ago and she was so happy. I know she had had tough times but she was the Debbie I remembered and was so happy to see everyone. I'm sorry I didn't know that she became ill and was in the nursing home. Hold fondly her sweet soul.*

Staying strong as a family is the best thing to do in such a trying time, even though I know that's not always easy. If any of you need anything don't hesitate to get a hold of me, I am here for you all. Love you all very much, (Aunt) Jennifer*

“ Heather and family, Our prayers and thoughts are with you in the loss of your Mother, Mother-In-Law, and Grand mother. Deb was so sweet, always looking so classy, and loved learning. We were in several Bible Studies together, and she was loving learning more about her Savior. Now she is home, no more pain, suffering, or tears, just rejoicing with our God, healed and whole. Sending our love, Ellen Witte and family

“ So sorry for your loss. Deborah was a lovely lady. I met her because she did dialysis with my mom and then also through my mother at Homewood. Deborah was upbeat and also concerned for other residents. And she was FUN. Good bless and comfort you.
