“ My thoughts and prayers to all of the family!! Delonda was a special person and I so enjoyed her over the years, being in a euchre club together when the kids were all at home, working with her Mom Aggie at BCSB and hearing about her and Richard and the kids. She sure did give it her all she had after being diagnosed, she always made me laugh. Although I haven't seen her for some time, she was a good lady, and I take comfort in knowing that she is suffering no more and has joined her Mom in Heaven!!! Loved going to their home in Thorntown years ago, softball and volleyball games with the guys when they were all in a league together. She loved her kids and siblings and family so much, so grateful to have known her in my life. She will be missed by all!
