“ *Miss you so much already grandpa! I'll never forget all the memories we made together. Taking 4wheelers and go karts through the creek behind your house, having to walk back and tell you I got hung up and trying to pull me out. All the times we'd ride in your old white dodge, and the big red one, hearing you sing your auctioneer songs. Our trip to Florida catching sharks for fun. The time you made oysters for us for supper, and I ate them just to not upset you. You made me the tomboy I am today. I was always grandpa's little girl from the start, and distance never changed a thing. I'll never forget all the fun and even crazy times we shared. I love you so much and I can not wait til we see again! <3*

“ *Had so many good times when we were kids. We grew up across the road from each other, rode the school bus together, and we were always into some kind of mischief together. Great memories! So glad he knew the Lord. RIP Denny.*

“ Denny Martindale was an outstanding man in every way. He was a true friend and a dedicated Christian. He will be greatly missed. May the only wise and eternal God shower grace on his family, and may they be consoled in this time of sorrow. I will always hold the memories of Denny and our splendid times together in his home and in the field within the treasure chest deep inside my heart. Love to the entire Martindale family.

“ I sure hope there are some great things to tinker with in Heaven! To the best neighbors my family could ever have. I have never seen a harder working man with a heart like his. He was always either pulling my lawnmower out of the ditch....driving across the field in his truck to bring me some gas....or offering to grade, plow, or fix something I was working on! And if you pulled into our drive...you better have a good reason or he was on his 4-wheeler asking questions! Thankful that you know Jesus as your Savior and that we will see you again someday. Our girls and Abbie and I will miss you. Jama, you know we will always be your neighbor to help in any way we can. The Hayden's love the Martindale's!

I only got to know Denny and Jama when he came to the hospital with his illness. I would have LOVED to know them before he became ill. I think we could have had some fun together. I can tell by these wonderful notes of love, that he had to be an awesome man. Anyone that can be joyful in a War with Cancer, has to be someone very special. I always looked forward to our visits with Denny and Jama, and they will be greatly missed.
