“ *I wasn't a close friend of Derek, but I remember him from school. He was a classmate of my sister JoAnn. I always heard stories of his sense of humor and big heart. I'd run into him from time to time. Especially after finding out his son Matt and my son David Jr were friends in school. He was always friendly and had a smile on his face. I always admired how much of a family man he was. The world lost a good man. He will be missed by many. Rest in peace Derek.*

“ I knew Derek when he first started dating Deb. He was a big fun guy with a subtle sense of humor. Sorry he had to leave us so soon. Sometimes life gets hard and cut short. My friendship with Deb and all of her kids and grandkids will go on and I hope I can bring some smiles to her face in the years to come.
