“ *My wife was diagnosed with Parkinson's Disease at age 59. She had severe calf pain, muscle pain, tremors, slurred speech, frequent falls, loss of balance, difficulty in getting up from sitting position. She was put on Sinemet for 6 months and then Sifrol was introduced and replaced the Senemet. During this time span she was also diagnosed with dementia. She started having hallucinations, lost touch with reality. This year, our family doctor started her on Tree of life Health Clinic Parkinson's Disease Herbal mixture, 1 month into treatment she improved dramatically. At the end of the full treatment course, the disease is totally under control. No case of dementia, hallucination, weakness, muscle pain or tremors. all thanks to Tree of Life Clinic, Visit Tree of life Health Clinic website www.treeoflifeherbalsclinic.com She is strong again and able to go about daily activities.*

“ My husband was diagnosed of Parkinsons disease 2 years ago, when he was 49. He had a stooped posture, tremors, right arm does not move and also a pulsating feeling in his body. He was placed on Senemet for 8 months and then Siferol was introduced and replaced the Senemet, during this time span he was also diagnosed with dementia. He started having hallucinations, lost touch with reality. Suspecting it was the medication I took him off the Siferol (with the doctor’s knowledge) and started him on PD natural herbal formula we ordered from AKANNI HERBAL CENTRE, his symptoms totally declined over a 3 weeks use of the AKANNI HERBAL Parkinsons disease natural herbal formula. He is now almost 51 and doing very well, the disease is totally reversed! (Visit [www. akanniherbalcentre .com](http://www.akanniherbalcentre.com))

“ I will greatly miss Diane. We were friends for many years, sand together at First Baptist choir while we were in school. We did a lot together and even worked at American Health Network together. The last time I got to see her was 3 yrs ago at Parkwood and broke my heart to see she had Parkinson. She was so kind and sweet lady. My prayers go up to her 3 children and grandchildren and ask God to put His arms around you all during this sad time. But she is with her love of life and with Jesus Christ out of pain. RIP Diane

“ Diane and I have been friends since junior high school and I had gotten very close to her and Irvin in the last few years of his life. Diane and I stayed close, and even though I wasn't able to visit as often in the past couple years as I would have liked, I have sweet memories of our visits together. She was a beautiful lady who had a smile for everyone and cherished her family to the end. She will be missed by everyone who knew her. I know the last year or so had been very difficult for her and she is now at peace in Gods care. She will always be in my heart. May God watch over her loved ones through this difficult time.

Sincerely, Linda (Baldwin) Tressler
