“ *Uncle Don and Mary were amazing! I loved being a kid and going to the house in Brownsburg and he would let us run and play on the cover of the pool (before it was all a big no, no) and let us do flips and just let us be kids. He would just laugh and and tell mom to relax we were kids just having fun. He was so good and patient with all the kids and had such a wonderful demeanor about him. Amy and fellow children you were truly blessed with such a kind hearted man.*
