“ Donna, was a wonderful dear friend. We had so many memories together. We shared 3 fantastic grandsons together. Donna and I were on vacation with her family and my family one year ago. Her and I decided to go to the outlet Malls in Myrtle Beach. We left at 10 am and the Malls were 20 minutes away from where we were staying. We got lost and didn't find it for two hours. We laughed and laughed . We ended up at Mall and had so much fun shopping. Then we finished and had to head back because we were supposed to meet the 2 families for dinner at 5:30 and we ended up getting so lost going back. We ended up in North Myrtle and drove and drove and couldn't find our place. We ended up and laughed and laughed. Her cell wasn't working and she forgot to bring the garmin. Needless to say we end up finding our way after getting a hold of one of my sons who directed us in the right direction. We were not staying in North Myrtle we were in Myrtle beach. Huge difference. We arrived for dinner 15 minutes late. We had so much fun that day and shared so much. We will miss her so much and all the fun we had together with her. She is my daughter-in- laws Mother Ali and I am so glad we became friends. Rest in peace Donna

“ *You will never be forgotten! Every time I look out at my back yard and see the woods I will think of you. When I see the ocean I will think of you. When I see shells and rocks and sticks, I will think of you! You were a free spirit and had a fun loving personality. I will miss that so much! I love you and will miss you everyday! Thank you for everything! You meant the world to me.*
