“ *I have so many special memories that I could share about Dylan, but what captures him most for me are these photographs. He loved swimming and being in the water, spending time with his family especially his cousins, and being goofball. There was one day we spent hours swimming together as a family. We were making slowmo videos of everyone jumping off the diving board and taking crazy funny pictures. We played chicken, dunked each other under water, and of course there was lots of splashing. We laughed and laughed and laughed. My cheeks hurt from smiling so much. We had a great day. It's the ordinary family get togethers that mean so much to me. Now, they will never be the same without our sweet Dylan, Dylly Anna to us. We love and miss you baby boy. In my heart always, Aunt Colie*

“ *Dylan was the light of the room. The life of the party. He was the class clown a big goofball. He had a heart of gold & would do anything for anyone. He loved sports especially baseball. He was looking forward to finally playing for Western Boone. His brother Matt was his best buddy & his best friend was Marko. His favorite thing was grilled cheese which he had to have every time he worked. Go rest high on that mountain baby boy be at peace. You will be deeply missed but never forgotten!! Mommy loves you forever & always*
