“ *I am proud to be one of Ed's Florida friends and a fellow Realtor. Over the last ten years Ed mentored me through some tough times in the real estate business and in the process became a dear friend. He and his brother Fred were a hoot when they hit the streets chasing deals. My sons were commissioned as airport shuttle drivers whenever the dynamic duo came to town and both of my boys admired him and his ability to connect with them despite a 60 year age difference, I think Ed was always a kid at heart. As Florida natives we all benefited from Ed's Midwest sense of humor and direct no nonsense, my handshake is my bond type of deal making. My favorite quote from Ed whenever he encountered a major renovation issue was "This one is going to eat way too much Hay" I will continue to think of him every time I use this phrase.*
