“ *Mrs. Martin taught tap dancing at Marion Twp School many years ago. I still remember listening to her and trying to follow along. I know I wasn't as good as I thought I was, but I'll always remember her patience and her smile. We moved away after that year and I never saw her again, but I've never forgotten her. “ Edith was such a wonderful person.. Out side my Mom ,,if I had a mentor it would have been Edith. Jones and I had asked Edith and Dale if something happened to us, they would take our children. Words can never explain the love these two people had to share with each other and the others. My prayers are with you kids. Love always,
