“ *Sorry for your/our loss for another precious child with Down Syndrome. Edith was one of of the children and their families that I worked hard for when she was just an infant when I worked with Dr. Bull. Your friend, another adoptive Parent {only 7}, and nurse. Anne*

Anne it is so good to hear from you. I have been trying to locate her birth family. They came and visited a couple times and I had the sister Nancy number but it is no good any more. I would love to catch up some time. How are your twins?
