“ I lost my BFF with Ed’s passing. We shared so many adventures in our youth. Pumped gas together at the old Wake Up gas station in high school. Both worked at Stewart Warner after graduation for a couple years. Vacationed together after marriages. Learned many life lessons from each other. He was a dependable, loyal and smart friend we will all miss but be better because of that bond of friendship.

*Our sincere condolences to Linda and his Family.*

“ We remember the smiling face and cheerful manner of "Eddie" who worked for Cowans/Parkside Pharmacy and delivered medication to those who were unable to go to the store. In all kinds of weather, Eddie would come to our door and seemed so full of joy. When he retired, we certainly missed his presence. God Bless this kind man.
