“ I remember Ann and Gene coming to Texas for Christmas. We all had a wonderful time. She is such a sweet lady. Carl and Gene did the dishes well the pans I think because Mechele has a dish washer. It was so much fun that Christmas. God bless the family at their time of sorrow . I know she is looking down from heaven. She will be missed by many.

Ann will be missed by a lot of people. She and I went to 12 years of school together and just lived one block away from each other while growing up. When she passed on are back corner of are yards meet. She was a good neighbor also. Prayers for Gene and her kids.

Went to school with Ann 65 years ago. The Class of '57 is missing another member of our LHS Tiger Family. GOD bless her family and friends that haven't completed their journey on this earth. We know Ann will be missed by all.
