“ *Ella TuRner was such a blast of energy and hard work. I sold Avon in her shadow for years and always enjoyed seeing her so excited every single time our new products came out. She accepted every challenge, won most, and had 100s of very well taken care of clients. She always wore everything Avon and was dressed up every day. She loved her family, friend, church, and clients. She earned the top awards selling Avon, the coveted Mrs. Albees every year for decades and she loved to show them off. I'll miss her spirited and direct spirit. She made many lives more beautiful.*

Judy and all your family. We are sorry we are unable to be at the service for Aunt Ella B today. Our love and prayers are with you all. Don and I have both had severe health issues this year and unable to make the drive. I will always remember Aunt Ella B for her fantastic cooking and hospitality to our large family whenever we visited.
