

Eric W. Timberlake

November 12, 1967 - September 29, 2024

Eric Wayne Timberlake, 56, of Lebanon, passed away Sunday, September 29, 2024, at his home. Eric was born in Springfield, Illinois on November 12, 1967, and was adopted by his amazing parents, James and Carolyn (Soneson) Timberlake.

When Eric was younger, he was an amazing hockey player and was part of the Springfield Kings hockey team. When he wasn't playing hockey, he was fishing. He loved riding Harleys and his love for two wheels was given to his children in the form of dirt bikes. Riding dirt bikes and four wheelers was family time for him. Eric's love for bikes became a family affair and will always be their favorite pastime. Eric was also a very skilled welder. There are many stories to be told about Eric Timberlake, all just as crazy as the next. Eric's life was full and the memories of him will forever live on through all who were fortunate enough to know him.

He is survived by his parents and wife of 16 years, Annie (Bixler) Timberlake; children, Maria (Josh) Hesler, Cameron (Danielle) Marquez, Jessica (Tobin) Livengood, Eric Timberlake, Myka Timberlake, and Jalyn Timberlake; 11 grandchildren; brothers, Doug (Melissa) Timberlake and Jeff (Ingrid) Timberlake; sister, Leslie (Tom) Woodward; and several nieces and nephews.
