“ *Ethel was one of my favorite ladies I met working for Western Boone. I always enjoyed my morning visits to the Kitchen to get my cup of coffee and friendly advise on how to survive, raise my kids and anything else I needed to get through the day. Those ladies were the best and use to create an amazing menu for my FFA banquets. Sorry I will not be able to make it. My thoughts and prayers will be with you.* ”

Ethel was such a sweet lady. Everyone still talks about her daily jokes and her classic antics at youth programs, VBS and beyond. Love and condolences to her family :)

Ethel had a truly cheerful heart, it was rare to ever get through a conversation with her, that she failed to leave you with a smile on your face. Her ability to play any tune on the piano, if you would hum it for her. Ethel was a true blessing to this world, we will all miss her presence, but we'll never forget this dear Godly woman. Sympathies for her family.

When I was bored as a kid, I would go see Ethel. She was always so welcoming and sweet. I appreciated her taking the time to play Uno and Skip Bo with me!

“ Ethel was a joy to be around. She especially loved all the kids @ New Brunswick. Always had a story or joke to share!
.Will always remember the Bible School that she "clumped" down the aisle with a huge suitcase - got it up the steps and on the stage - - -then preceded to tell the kids what she packed for her week @ Hanging Rock !! Of course - - most items were not a good choice for a week at camp!! :)
She was a "treasure" !
