“ *So sorry to hear about his passing. When I visited him a little over a month ago he was the same Oogie that I knew from the past. Wanting to go home to be with family. I prayed with him and gave him kiss on the cheek. He will be missed*

“ I remember sitting in church and wondering how he got the name Oggie. I met his son Michael when his son Austin and my grandson Troy played basketball for the Boys and Girls Club a few years back. I know his family will miss him terribly and I hope and pray that good memories will help sustain you through this time of grief.
