“ *Not sure if I even did know you if you are who I am thinking of, My name is Mary Lee. I was, or may have been, a girlfriend of your son, Richie back in the 60's. I used to spend weekends at your house. I remember your son coming home from the army and your other son marrying a girl named Kitty (I think). I remember your daughters who used to visit me after I broke up with Richie. I lived on Berkshire Valley Road. Your family was always so loving and accepting of me even after I stupidly broke up with your son, and I shall never forget. RIP.*
