“ Dad you and I certainly had some ups and downs. You were a hard worker and when you turned your life around you became so much more. The love, acceptance and outreach you focused on drove you to become better. You remarried a great woman who took care of you through it all. We got to share some music and history together the last few years and for that I'm truly grateful. That we had the kind of relationship we both deserved. I'm so sad that you are gone but I'm so blessed to have us made the 360 to share the latter half of your life. I'll miss you. Say hi to Grandma & Grandpa. <3 Love-Your Missy Moe
