“ *Freddie 4 Barrel, I worked with Fred at Rock Island, had a lot of laughs and fun together. I rode with him to Lebanon at couple times and for any reason he would kick in the 4 barrel on the car we were riding in. I counted 14 times between the Rock and Lebanon and nicknamed him "Freddie 4 Barrel". Our fellow workers at the Rock laughed about that and went along with the nickname. A real good friend.*

“ Fred & Michael were good friends since they were in high school. Some experiences he could share & some he cannot. Fred was always quick with a smile and laugh & enjoyed life to it's fullest. We're sure he's having a blast connecting with those that have gone before him. Tell them all we said hello. Condolences to the family. Please let us know if you all need anything. R.I.P. Fred.
