“ *I have so many great memories with Uncle Gary from family get togethers to racing pontoon boats at the lake. He helped teach me how to drive a golf cart, he always had a smile and he was an amazing uncle. My heart hurts for our entire family, it's a rough time but I know in my heart that he's with Jason and no longer hurting. All my love, Kristie*

Gary was such a good family man. Remembering the fishing trips, drive in movies, cookouts and yard darts. Rest in peace

“ To My Other Dad. You will be missed more than people will understand. You were always so sweet and loving to me and always made me feel like part of the family. I will never forget the day you said "you are not a Wild Kitty, I was a WILDCAT" So Tammy would bring me home stuff from the UK WILDCATS Store. Dont worry about the Family, they all will be taken care of.. Sending you love, until we meet again.
