“ *I spent many years with Gary , and we remained friends after we split up. We had grandkids and great-grandkids together. Gary was a good guy , he loved to fish, he loved working with his hands, he did good work with wood, he could fix almost any car, when we first got together we moved to Florida where he went to work for glass company he put Windows in high-rise buildings, he like that work I thought it was rather scary. That job took him on to North Carolina where we lived in Charlotte, still doing the same kind of work,but eventually, we came back to Crawfordsville and we lived here for a few more years, it was in North Carolina when we had Marlana , who was Gary's pride and joy. I will forever miss you Gary,*
