“ *Ohhhh Rebecca, I am just now learning of George's passing. I'm in total disbelief, and my heart goes out to you and your family. I absolutely loved working with him, at CSI, for many, many, years. He was the consummate professional in what he did. We worked together many times, on equipment that failed, he as a shift maintenance tech, and myself as a profile owner. He was extremely good at his craft, and was very approachable with new ideas, and suggestions. I regret that I won't be there Monday, to meet you personally. Please know, that I have the highest degree of respect for this man, and can only offer my personal prayers for you. I'm so sorry for your loss. Dave Dolph, Crawfordsville*
