“ *Our best memory of Heavan Henderson is when her mom and her moved in with us. We are her great aunt Irma and uncle Chuck ,she was very smart and a happy little girl,, I think she was 3 years old and I had a little table & chair in the living room and every morning when she woke up she came down stairs and sat on her chair waiting for her breakfast and I would ask her what cartoon she wanted to watch and she said Blues Clue , so as soon as she heard that music she would start dancing over and over and over ,OMG I just loved her so much but the time came when her and her mom moved out it broke my heart but I still went and got her every other weekend and then she grew to be a beautiful young lady with a heart of gold and now she's gone and never forgotten ,we love you so much RIP*
