“ *Helen was a firecracker. She was a fixture in Thorntown. She attended almost all the outdoor concerts at the Thorntown Heritage Museum, always keeping time with her foot or clapping. I loved to see her walking along Main Street or sitting on her front porch as I passed through town on my way home from work. I loved her honest comments and sarcastic humor. She will be much missed in the community. We will all celebrate her life and share your sorrow at her passing.*
