“ I am so sorry. Sweet little Hudson Ray. What a beautiful name. Brady and Natasha, I too am a member of this club that no one wants to join. My son, Preston, was stillborn. If you have any questions or just want to cry with a Momma who has also held their dead, precious child, I am right next door. I know you have only known me for a month, but I fell in love with your sweet family the day I met you. Hudson was wanted. Hudson is loved. And he will NEVER be forgotten.
