“ Kyle and Drew.

I knew your father 60 yrs ago . I was a Dental Assistant and he did the design for our operatory when Dr. Goldsmith built a new office.

I once played Chess with you when I stopped by your home in Monrovia.

Have never forgot you little guys and that fun night. I am sure you beat me at Chess.

How often wondered about all of you.

Your dad was a was excellent in his work and so nice to all of us in dentistry.

Take care.
