“ *Jack was a friend of my son's, and I am saddened by his passing. I met Jack when the kids took their field trip to Chicago. When my son refused to sit with me on the bus, Jack invited me to sit with him. We talked all the way to and from Chicago. In later years when we both lived in Sandpiper Lakes Jack would stop by to see me. I knew him as a kind and loving soul. My thoughts and prayers go out to his family. He will be truly missed. God speed, Jack! May you rest in peace with Doodles.*
