“ *I remember growing up across the road from the Bakers. Jim's parents were great. They could always make me laugh. I remember going over there when we were all snowed in during the blizzard of '78. We all played board games. His dad always had that cigar, lol. I always looked up to Jim. He was 3 years ahead me at Western Boone. I thought he was the coolest guy. I remember Jim and one of his friends used to wink and say hi ace to my best friend because dressed in weird outfits, lol. I still laugh about that all these years later!!!!.... RIP Jim. You are missed.*

“ *As my brother Steve said, Jim and his family were very close to ours growing up In the neighborhood of Greenbriar in Indianapolis. Jim was like another big brother to me. I remember he used to hold me up in the air so I could make a 10 ft basketball shot, and he taught me the words to the theme song of the "Snuffy Smith" cartoon! I admired his strength, athleticism, and kidness. It was always a pleasure to see Jim later in life and we were very sad to hear of his passing. Our thoughts and prayers are with Mr. Baker, Mike, and the rest of the family.*

“ Jim and I were childhood friends beginning in Kindergarten and I just learned the news of his passing today. We lost touch, but I often hoped to reconnect with him. He was one of the kindest people I have known and I have many fond memories times we spent together.

My deepest sympathies to Bill, Mike and the rest of the family.
