“ Anita, Bryan and Karrie Kay,  
I am soo sad to hear about Uncle Jim's passing. These are some things that I remember best:

- he told me that he always thought my dad was "so cool in high school."
- his laugh - I can remember times when Jim, my mom and Cookie would be laughing so hard there was little sound (occasionally a squeal) and lots of happy tears
- he didn't think twice about helping me move from Lebanon to Brownsburg and kicked down the porch railing to make loading the U-Haul easier
- I also remember the "Tootsie Roll" payout for Cowboy Bob and Janie commercials
- the things and letters he sent when in the military (I think I still have some of them)

*I will always remember my Uncle Jim.*

“ Anita, Bryan and Kari,  
I'm so sorry to hear about Jim's passing. I remember his great sense of humor. I also have fond memories of the time Uncle Jim shot a promo/commercial for Channel 4 with me, Tracy and Rick and he paid us with candy.

*Sending Hugs,*
