“ I remember James as bright but stubborn little boy with cuttest yet cunning little smile that he kept as he grew! I remember catching him playing with matches while I was babysitting as the oldest of all of us cousins I kept them often, he was upset with me because I had to tell on him we pursued into a chase in out of the house by the end I was a little tired considering I was pregnant with my oldest he locked me out of the house and went and got his Bb gun ! I will never forget his device little smile with BB gun in hand staring at me from inside the house what a little terd!! Lol James was always so kind and loving to everyone he came across . I personally have not been close for many years and now I'm wishing I would have done differently!! I love you more than I could ever say !! And I still can't believe you best me home! Give everyone up there hugs for me I will see you all soon!!! 🙏❤️❤�
