“ "Pudgie",
I didn't get to see you that much once I left Indiana for Fla.,
but I always valued our friendship. I still have some fond memories
of the outdoor fundraising party you had for Witham Hospital. You
anonymously donated the proceeds by saying it was from the
Lebtuckians".

I noticed in the obituary it mentioned Pudge had a big heart, I can attest to that as we were sitting around playing cards years ago and it was close to Christmas and I was a laid off construction worker and Pudge just handed me cash money and told me to get my family some Christmas and said nothing but merry Christmas Tuffy

We didn't meet often in adulthood but Jim was thought of and spoken of often. We'll miss him from the family. Drew says he totally enjoyed the conversations he had together with him and wishes there could have been many more.
