“ *From your adoring niece Janea. The most treasured memory that stands out regarding Uncle Jim is when he took me out for a seafood dinner to celebrate my graduation from nursing school. He made it known how proud he was of me. He had an uncanny way of supporting my talents and visions. I can even remember him opening the car door for me that night. What a gentleman! I will remember him laughing and joking around quite often . You will be missed Uncle Jim. However, until we meet again in heaven..with all the saints before us.*

“ I’m so sorry to hear of Jim’s passing. I met Jim in the late 60’s. You are right about Jim being a special person. He always had a smile for those who knew him and he never had any pretense about him. Your family are in my prayers. Barb Shumate Hendry
