“ *Nina I am so sorry for your loss of Jim!*

Everyone needs to know that the two of you were Married and you was his Spouse! I can not believe that you would be listed kind of like a "sister" after Betty. Your name should have been listed before Gloria's name since the two of you were married and you have taken care of Jim for

**** been with Jim for many year's and lived as husband and wife!*

I know that Jim loved you with all of his being!

Shame on whomever did this Death Notice as a Companion and not his wife! That is a slap in the face to me for her! Yes I am very outraged at this!

Jim loved Nina...when I would be there whether to cut his hair or just to talk to Jim about "old times" he would always tell Nina he loved her in-between our talks! Jim especially loved talking to me about my Grandpa Floyd "Sledgehammer" Fairfield and the "South End" as we always called it!

Nina please let me know if I can do anything else for you! You and Jim both meant the world to me!
