“ *When I was a little girl I used to have a lot of low self esteem. Janice always told me how pretty I was and how much spirit I had. I wish I could of told her how much that meant to me as a teenager when I thought I was nothing. She was always so kind and loving and giving. Thank you nan for giving me that little bit of confidence. You will always be a beauty queen to me. I hope your light keep shining down on us... especially for your granddaughter. Fly high pretty lady*

“ I I was so sad to hear of Jan’s passing.

We went to school together but I want you to know how much I loved her.

I am like everyone else when I say that no matter how long it had been or where we were or how busy she was, Janice was always there for us.

I always knew I would see her beautiful smile and hear her say either Barb or Barbara when she saw me.

Thank you for sharing her with us. I will always carry her in my heart and my prayers are for you and your family.
