“ *I will best remember the quiet conversations we shared at the lake. They most often included genuine and hearty laughs after one of her many stories.*

I enjoyed her companionship, friendship, family stories and sense of humor. I admired her inner strength, attitude and heart of gold.

I will miss a dear friend.

“ Some of my favorite memories of grandma is helping decorate great grandmas tree at Christmas time, going grocery shopping with her every week, spending time with her at the lake putting puzzles together. Her and grandpa taking us out on the boat at the lake. We all used to vacation at the same time on the 4th of July and watch the fire works from the deck.
