“ *We moved out of state a few years ago and although we would keep in touch, we just learned of Jean's passing YESTERDAY. Our hearts go out to Kevin, her Family and Friends. My Wife Bambi and I loved Jean like a Sister. One of the things we always kidded her about was her "lack of moderation". She was ALL IN with everything she did, from her work as a Nurse to an art project or new craft. She will be SO missed by us. Love you Jeannie!!!!*

“ *My fondest memory of my mother... In the fall time we would always go to Brown County to walk through all the shops. Her favorite shop to go into was the Christmas Shop. It is filled with so many different kind of Christmas decorations and ornaments. Every year we would spend hours in there looking and picking the perfect ornament for our Christmas tree.*
