“ I am friends with Shauna ,Jefferys sweet sister . I think the world of Shauna and though I never met her brother . Unfortunately I too know the joys of loving a brother and tge pain of the loss of our beloved brothers. This saying that my Grandmother shared with me through the years I will leave on this post in hopes to share comfort. Life' is like licking honey off of a thorn bush . May each of you share the joyous memories of what I know had to be a great man. Thank you for your service 🙏
