“ *What an incredible man. Even though our company is just a tenant in the Nash Group building, we all considered John a friend. He was always very nice to me and our entire staff at Elwood Staffing. He helped us in so many ways and was a hard working and smart man. We sure do miss him and will continue to miss him each day. We are very thankful to have been given the opportunity to get to know him. We are praying for all of you.*
