“ I am sorry and deeply saddened by your family’s tremendous loss. John and my father, Dave Endres, were long-time colleagues at Union Carbide. I recall John visiting my dad's farm many times over the years. The world is a much better place because John was in it. He will be forever fondly remembered and sorely missed by everyone who loved him. Please know each of you is being held close in thought and prayer during this painfully difficult time. Sending my heartfelt condolences and many hugs for all.
