“ I am so sorry for Joanna and John’s family’s loss.

*If you knew John, you knew he had the biggest personality. He spoke his mind, was incredibly determined, and was always willing to lend a helping hand. He will be deeply missed by so many.*

*It brings me peace knowing he is with God and finally home. I’m praying for Joanna and his family as they navigate this incredibly difficult time and life without him. I pray that God surrounds them with comfort and peace, reminding them that while John may no longer be here physically, he is in the Lord’s hands and always watching over them.*

“ Guatemala...would have been so different without you there...I had never in my life done something like that alone. I did not know a soul...yet within a week my life would never be the same. John you calmed my heart when I wanted to go home the same day we arrived. You and the girls must have seen that fear in me and never left my side. I now have dozens of the most amazing friends and memories. You will be missed my dear...you will be missed.
