“ *I grew up with John, Jim & Matt. They were like brothers from another mother. As time passed we didn't see each other as often. No matter how long it had been since seeing John, we could talk like it was yesterday. Talk about anything and everything just like always. Life long friendships are hard to find. but my friendship with John was just that. I will miss you my friend! I promise to keep your family in my prayers!*

“ So sad to hear about John's health and his passing. He and I shared talks whenever we got together. He always enjoyed our conversations and catching up with each other's family stories. He was the son of my father's brother. He would always tease me when he was a little guy about being a DJ at a radio station I worked at. Asked me if DJ was short for Dumb Jerk. We laughed alot when together about stories of our dads and John was so proud of his children and grandkids. He will be greatly missed and I will miss our chats when we saw each other. Rest in peace, John. Tell your mom and dad hello when you see them in heaven. Prayers for your family.
