“ *Angela and family, so sorry for the passing of John. He's now living where we are all working to get to, in Heaven. He faithfully ministered all that time, winning souls so that they, and all of us could someday join him. So it's a hard but isn't a goodbye, it's a see you later moment. We will all celebrate with him and see him again in Heaven. I am thinking of you all and praying for you all.*
