“ My condolences to Johnna's sons and sister Karen. It's sad to have found this in my inbox. It seems like just yesterday I was talking to her at Mary Sue's funeral. Now she is with her mother, Mary Sue, & Bonnie. My heart is so heavy to think they are gone. RIP Johnna RIP

I should've said sisters Karen and Barbara. I was so shocked to learn of Johnna's passing that I had trouble finding the correct words and names.

“ I met Johnna thru her son, Johnny almost 20yrs ago. She was a loving soul and loved her family and animals. Under her sometimes intimidating persona, she was a good person and I am grateful and happy to have given her her first grandson, David Allen along with her son Johnny on September 29, 2001..it was kinda funny because my dads birthday was on the 28th as they were only 1 day older than each other and Johnna's the 29th, we all waited and David was born on the morning of the 29th. Even though we shared Davids birthday with my daddy every year, she had the honor of her first grandson on her birthday and I am thankful she got that..She had an impact on my whole family and we are happy to have known her, she was like my mother-in law for many years ..about 12 yrs..May you rest in peace Johnna and with your loves ones you missed so much, and tell ours we love and miss them..condolences to the whole Cundiff, Tyree, and Manco families. Love the Baldwins
