“ *So many memories, John and his family were very close to our family, Aunt,Uncle and cousin. We all lived very close as children in Mt Comfort and later in Brightwood, just a block apart. John was a very good basketball player as city champion in Table Tennis, we called it ping pong. He was always first to be chosen on scrub basketball as well as softball. John game me one if my first jobs working for him at a apartment complex at 71st and Hw 37. When you were a friend or family of his you could always count on him. Later we (his family) and other family member would meet every Sunday at Bonnie and Alvin's country house in Zionsville for Sunday dinners. Life separated us in physical bodies but never in thoughts. Rest in Peace John*

“ My father was a simple man. He had a big heart and he would always love to make you laugh hearing his laugh was contagious and his love from my mother it was like a fairy tale for so many years my father's Health was bad but at the end he was suffering and I just want to say that our father took him home so that he can rest easy can we be pain free. But the night before he passed his last words to us he just made us laugh and that was his last laugh and he passed out and he was gone
