“ From the first time I met Jon at the Farm Bureau on Pearl Street where he bought candy and Cokes from my Mother, Carra Nelle Poynter to Jon being my brother Gary's best pal playing baseball and going to watch him play ball with my parents and 'Ham' Foster in Decatur, IL, it always felt like he was a part of my family and the mutual love was there. When my brother passed in 2012 I knew Jon was ill and I didn't want him read about Gary's passing in the newspaper. I waited till he was better and we had a good visit. He said he 'knew' why I was there. We shed some tears together and parted with a hug. I'd like to believe they are hitting golf balls or playing baseball together. Jon, you will always be loved, respected and missed terribly.

“ Jon. My old Tiger team mate and friend. In nearly 60 years we never heard a harsh word from you about anyone. WE will always remember and miss your laughter and smile. I remember the old "L" club banquets when we received ou sports awards and the dignity and pride shown by you and your Dad when your name was called. There is now one less beautiful soul left here on earth and one more in heaven. Rest easy now, You sure earned it.
