“ *Jay and I grew up across the street from one another in Sheboygan, WI. His parents were the best neighbors anyone could ever have. I was in Jay's wedding and he was in my wedding party in 1978. Jay was thoughtful, kind, and one of the best friends any one could ever have. He had an incredible sense of humor, he got from his dad. He will be missed by many. Rest in peace Jay,*

“ I'm so very sorry for Joe's passing. My love goes out to his entire family. Our friendship and our families grew around the same time and we created wonderful memories. When I first met Joe as a co-worker, I was struck by his intelligence, his humor and his spirit. Though he was only a few years older than I, he was a mentor as well as a friend. This world is a bit darker without him. I pray that positive memories of him remain strong within his daughters and grandchildren and that they console them all through their current loss and pain. Joe, I'll miss you.
